Examiner's Amendment

1. An examiner's amendment to the record appears bellow. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as proved by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Claims 1-18 and 32-40 are canceled based upon Response To Restriction Requirement filed by the Applicant, date to 9/27/04.

Reasons for allowance

3. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention distinguished over the prior art for the following reasons. The claims are allowable over the prior art of record because none of the references, either alone or in combination, discloses or renders obvious the method for mapping an input name into an address upon an requester comprises of retrieving from a preference table a preference number associated with each mapped address and the input name, each entry of the preference database comprising an address, a requester identifier, and a preference number, wherein the requester is identified by the requester identifier and at least one requester identifier is listed in more than one entry, selecting one of the retrieved mapped addresses based on the retrieved preference number and returning a response comprising the selected address.

Art Unit: 2154
